PO Box 333
Buda, TX 78610

March 1, 2020

Dear Potential Business Donor:

Did you know that students who participate in a high school music program:

- Earn significantly higher SAT and standardized test scores?
- Experience a greater sense of camaraderie among their peers?
- Are less likely to participate in illegal activities?
- Have a greater tendency to thrive in college?

I am writing to you on behalf of the young musicians of the brand-new Johnson High School Jaguar Band. The Jaguar Band Boosters is a parent and community organization supporting the activities of the high school students who participate in the band program. This is our very first year in existence! Therefore, we could really use your help to provide the resources these talented students need to be successful.

Through your generous donation of an item to be used in a fundraising silent auction on May 8th, we will be able to help the band to purchase uniforms, sheet music, instruments, equipment, props, fund music lesson scholarships, and participate in and travel to state, national, and international competitions. Our event will be open to our entire surrounding community at Buck's Backyard with a live band and silent auction. Your generous donation would be very much appreciated by our students.

If you have any questions, please feel free to contact me at (512) 791-6355 or vpfundrasing@johnsonbands.com. On behalf of the students, parents, and directors of the Johnson Jaguar High School Band, I sincerely thank you for your consideration.

Musically Yours,

Christi Townsend
Vice President of Fundraising
Johnson Jaguar Band Boosters
