Discussion

- Handouts were reviewed. All documents will be published in documents section of the website for reference.
- Band Parent Survival Guide reviewed with Q&A session:
 - Discussion of expectations now that we are well into school and band season. Review of what expectations the directors have of students (they are lead for information); communication avenues for parents to stay informed; ways for parents to support students; etc. Uniform review specific to socks and hair was discussed. Reviewed dismissal process and what that means for the directors, the students and tips to manage parents/students timing, etc. School/grades/band balance for the beginning of the year reviewed. Communication for competition weekend schedules will typically not be received until the Thursday prior to event, but will be provided as soon as available. Competition timelines and overview provided along with costs, parking and what to expect was shared based on prior experiences. Support is always available by other parents, directors and the Band Booster Board.
 - Requests for volunteers to help with Uniform Care Crew and Pit Crew. If you can assist with those areas please contact Summer Cameron (or Juliette Kroeger, vpevents@johnsonbands.com) for Uniforms or Clover Clamons (pitcrew@johnsonbands.com) for Pit Crew.
