

2021-2022 Remind 101 Texting

You can now sign up for text reminders from the Johnson Band staff!

These will not be sent out daily but rather for important updates regarding the following:

- Football Game Departures
- Contest Departures
- Estimated Arrival Times
- Schedule Updates
- Weather Cancellations
- Contest Results
- Other important updates!

We have a subscription to Remind this year (unlike last year where each grade had a separate code) which means all parents will be in one Remind and we will have a Marching Remind group specifically for students. Later during the year as we moving into Concert Band season, a Remind group will be created for each ensemble making it much easier to communicate efficiently. Here are the 2 current reminds.

SIGN UP via the Remind 101 app or TEXT the below code to 81010.

STUDENTS: Marching Remind
@jagsmarch

PARENTS:
